MNO Region 5 wants to document and preserve the history of the historical Mattawa Métis Community through stories, interviews, photographs, and objects.

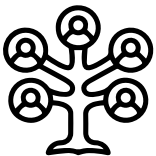

Come to Heritage Day and talk to our team:

Share your Métis family history around Mattawa. Where did your Métis ancestors live and work, and what traditions did they pass down that you still carry today?

Bring your old photographs of Métis people and important Métis places from the Mattawa community.

Tell us about kinship within the community. What are the connections between your family and other Métis families around Mattawa? Who lived near each other, who travelled and worked together, who socialized regularly?

Bring your old newspaper clippings or artifacts related to the history of Métis around Mattawa.

Know History will be here to digitize photos and documents so we can preserve them for the community.

Want to complete your registration with the Métis Nation of Ontario?

MNO Registry will also be here to help people fill out Citizenship or Harvesting applications. They will have forms on hand and can take photos for your card! For application forms and more information about the documents to bring: www.metisnation.org/registry/citizenship/resources-for-applicants.
